

EXPLORING THE "NEW" EMPLOYEE EXPERIENCE

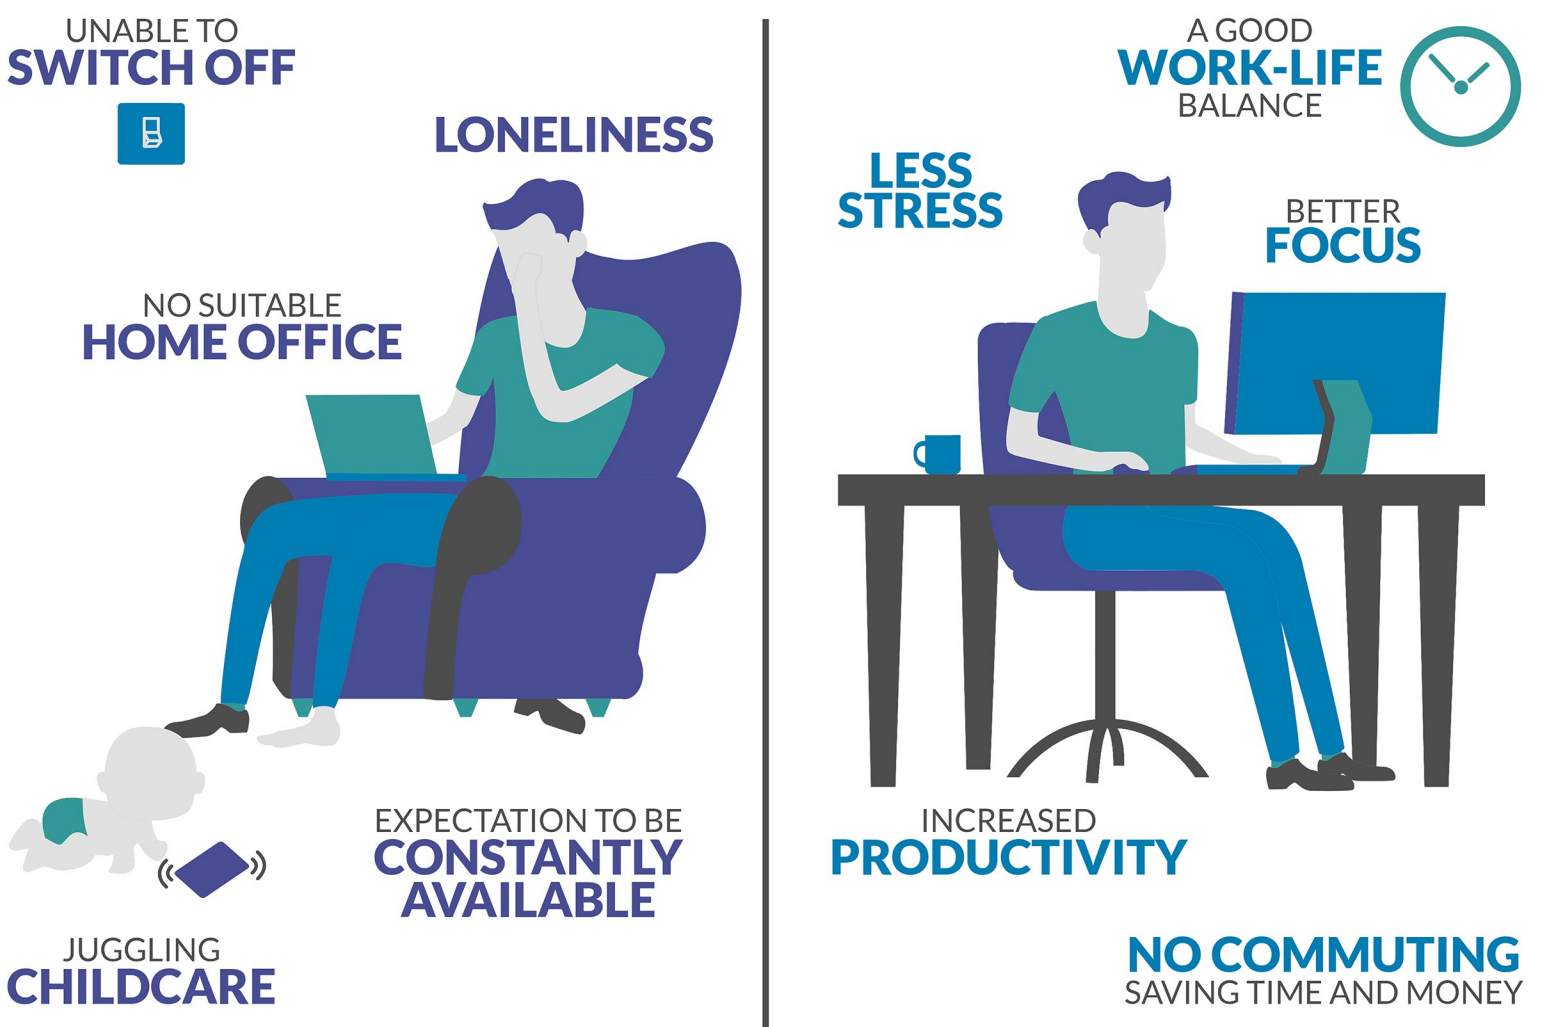

HOW DOES YOUR EXPERIENCE MEASURE UP?

Based on responses from 108 employees across the UK, Italy, Netherlands, Canada, USA, South Africa & Philippines.

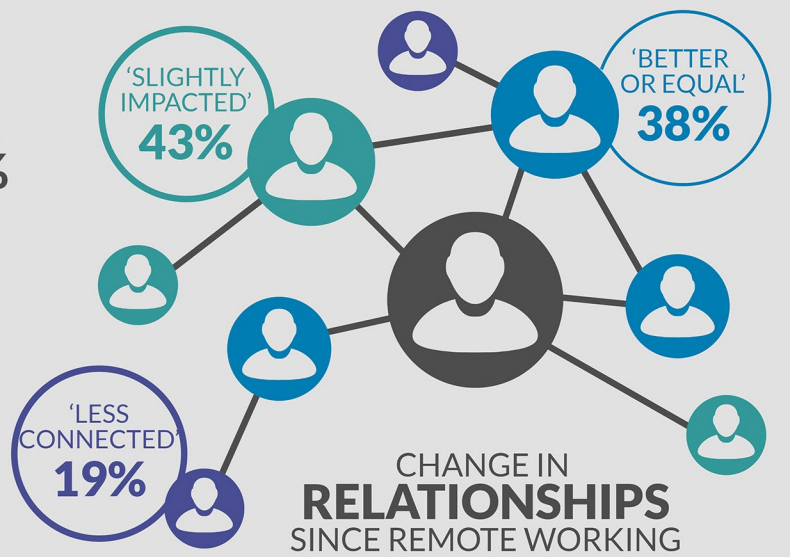

REMOTE WORKING IN PRACTICE

ISSUES vs. BENEFITS

“Establish more of an ongoing strategy rather than a feeling that “this will all be over soon”.”

EMPLOYEES WANT FURTHER **SUPPORT** WITH...

WE'VE HEARD FROM EMPLOYEES...

How do you feel you are equipped across these areas to make your people productive, safe and happy?

Using our Employee Experience Toolkit, we can work with your organisation to explore where you are and where you want to be. Our experienced UX, Health & Safety and Ergonomics consultants can provide you with practical guidance and support. Contact us at info@system-concepts.com.
